DESCRIPTION	
<p>A modern design, available in white and brushed chrome, the Champ has a brightness of 700 lumens with a 110 degree beam angle. Champ features a die cast aluminum body, remote LED driver with plug and lead and a recessed diffuser for low glare profile. With a 90mm cut out, IC-4 and IP44 ratings, the Champ will suit most recessed applications. Rated at 25,000 hours, the Champ will last up to 12 times longer than 35W halogen equivalents.</p> <p>GE LED Champ Downlight Aluminum Dimmable 10 Watt Cool White 780 Lumens IC-4 IP44 25,000 Hours Brushed Chrome</p> <p>Date printed 26 May 2019</p>
